

**Brett Eden**  
**President Highlight Sports**

---

Coaches,

We at Highlight Sports are honored to be working with you and the youth you are coaching. You provide these young men with memories they will cherish for a lifetime and we preserve them for generations to come. We commit to you the highest level of quality and professionalism and ask for the same in return. We understand your commitment to these young men and applaud you for your time and energy. **We wish to offer each coach a free 8\*10 photo (head coach and 1 assistant coach) of your team and a free copy of the team DVD (if your team orders one).**

We have assembled this packet to help ease your burden as a coach. You can give this packet to your team mom or handle it all yourself. Please distribute all content to each team member (email, photocopy, etc) Enclosed you will find a hard copy and digital copy and explanation of each item:

- Order sheet
- Team video pricing
- Individual video pricing
- Team mugs, calendars, t-shirts

On the enclosed CD you will also find samples of an individual picture video and a sample of a team video. Keep in mind that the pictures and video footage, on the CD, were provided to us by parents of team players. If we are hired to shoot your video footage the picture quality will be drastically higher.

We will have two options for you to have your pictures taken this year.

- Option 1: Photo day
  - Photo day will be held the Saturday before the first game.
  - If your team comes to photo day and places their picture order on that day they will receive a free 5\*7 team photo
- Option 2: We travel to you
  - We will travel to your teams practice or game

For your convenience we have also provided the direct contact information of Highlight Sports management team that will oversee the UVFL this year. If your parents need to contact us we would appreciate it if you would provide them with our main office information. Do not have them call the UVFL offices, they will only be directed to our main office.

Once the season starts we would like to focus on taking action shots. In order to facilitate this, team photos need to be taken before you start playing games. Please email or call us ASAP to schedule a time to shoot pictures.

Thank you,

Brett Eden
